

Downloading Free eBooks to Ipad and Ipod

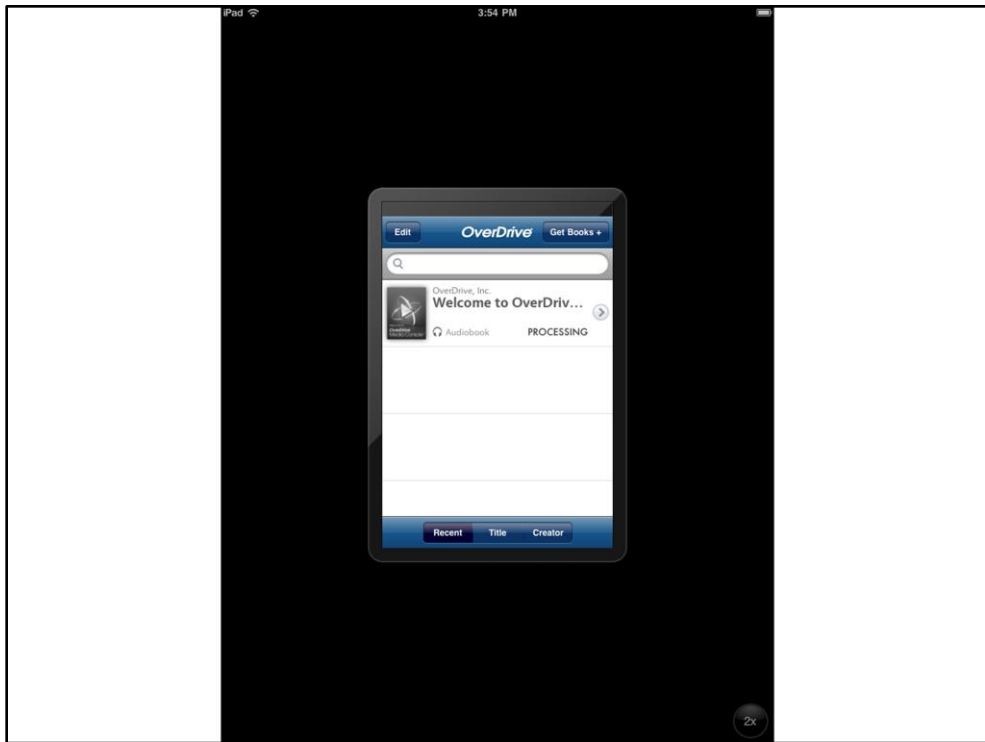

Using the Overdrive Media Console App

Allegany County Library System

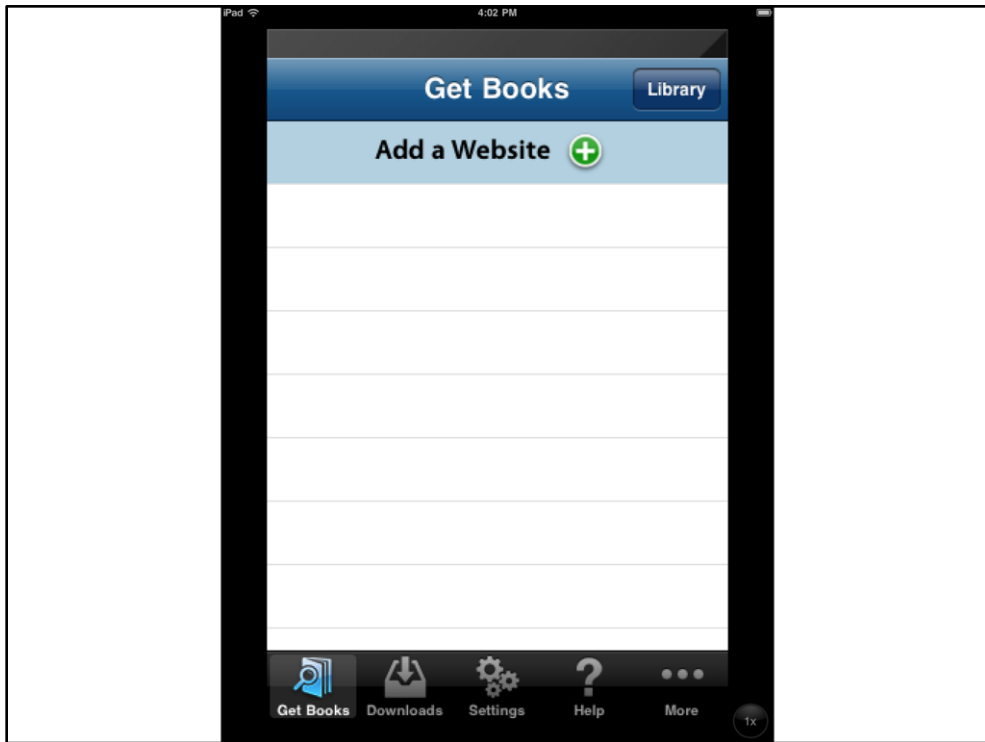

Welcome to the Allegany County Library System's tutorial on downloading free ebooks to the iPad and iPod. In this brief video, you will learn how to enjoy thousands of ebook titles for free with your library card. Books check out for either 7 or 14 days (your choice) and there is a limit of 4 checkouts per customer. You must be connected to the internet either via WiFi or 3G.

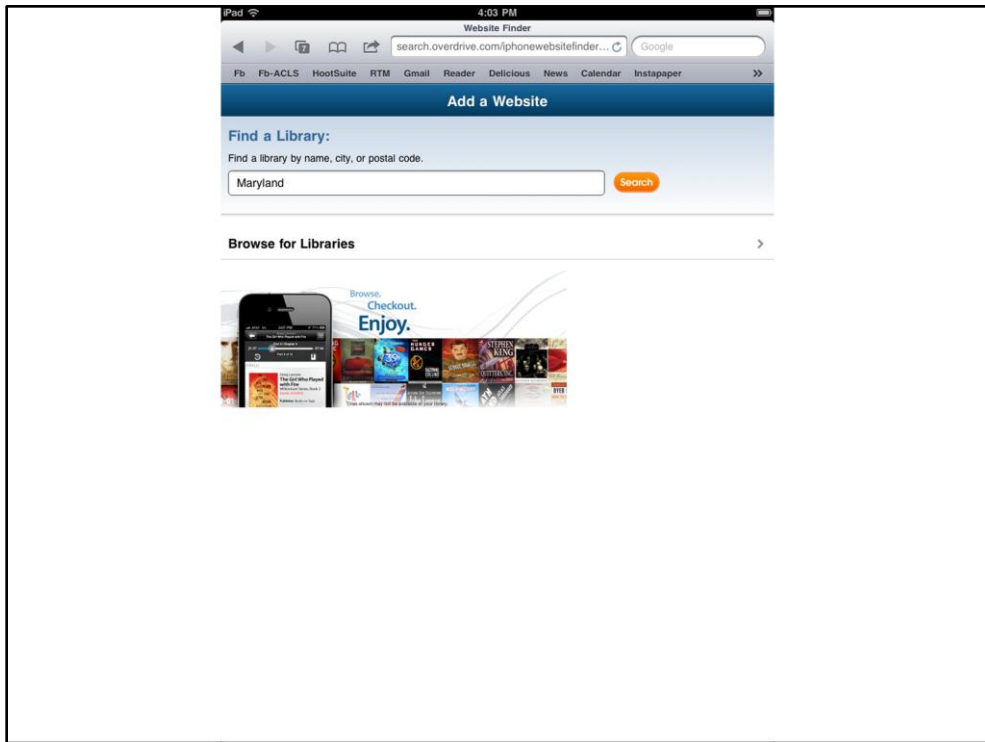

To get started, first download the Overdrive Media Console mobile app from the Apple App Store. The app is free.

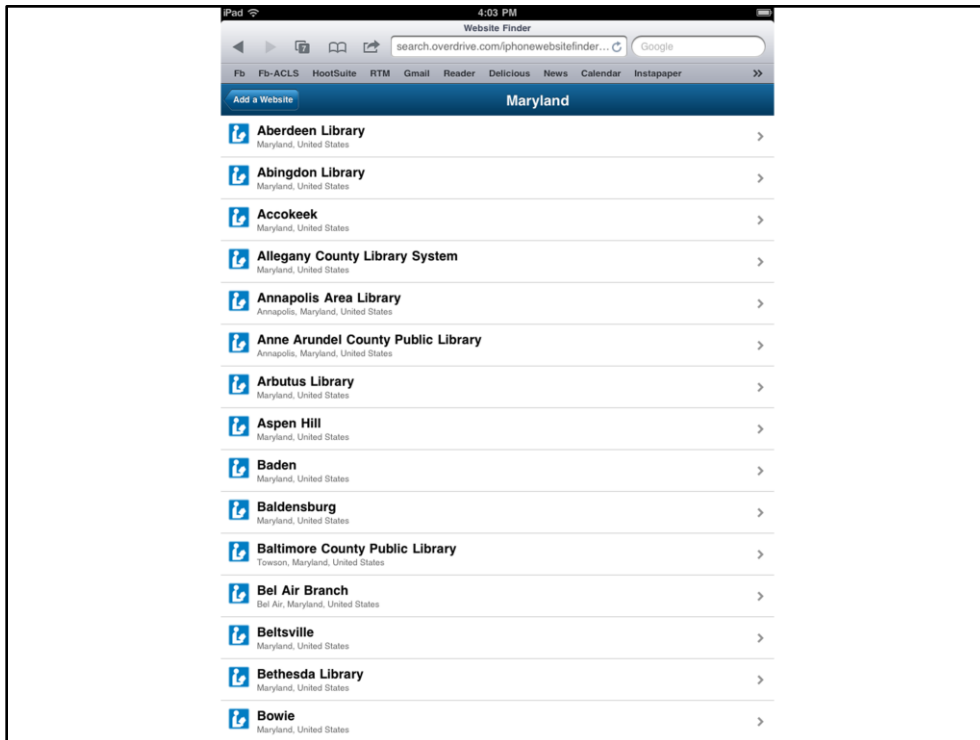

When the app finishes downloading to your device, tap to open. The Overdrive Media Console Mobile app will display. Tap get books

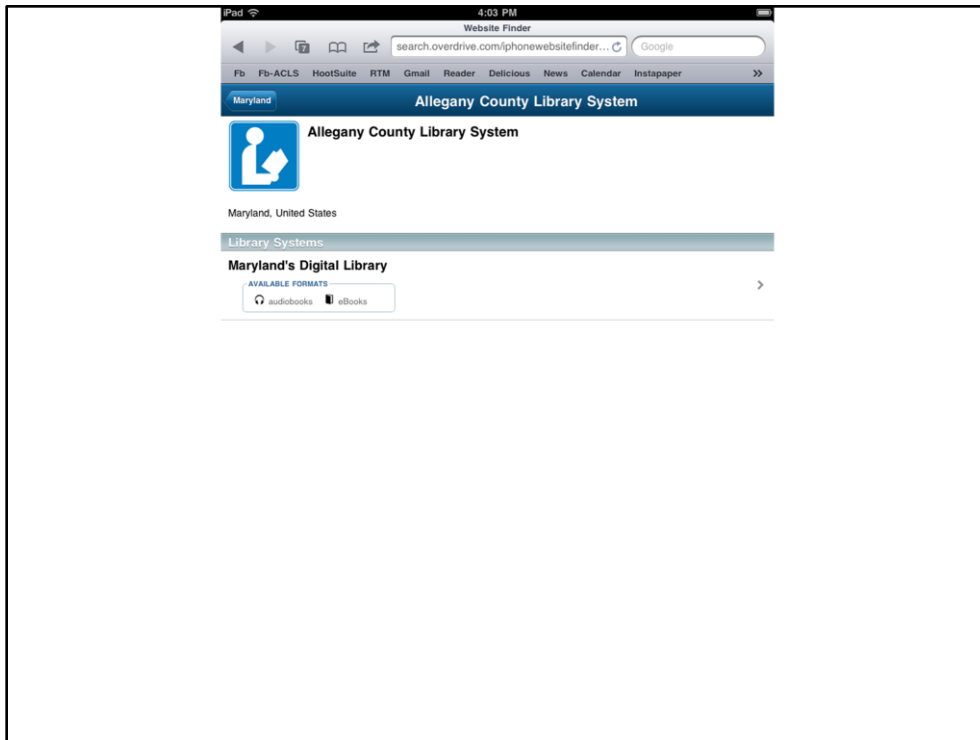

Tap get books again at the bottom of the screen. Now tap Add a Website.

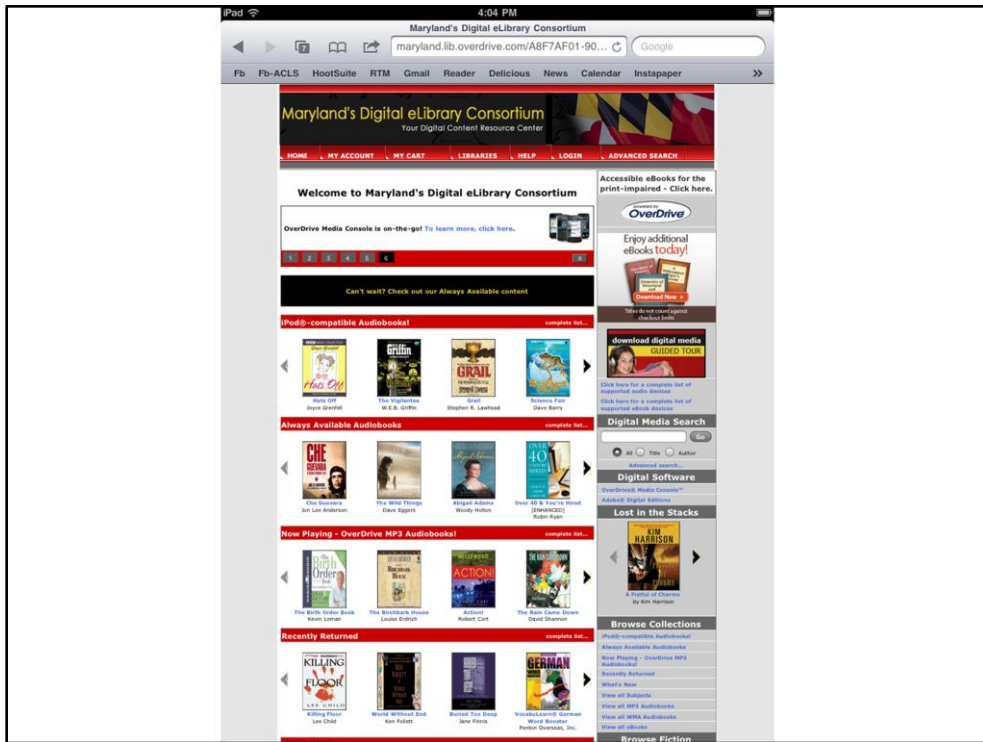

Type in Maryland to search for Maryland Libraries. Click Search.

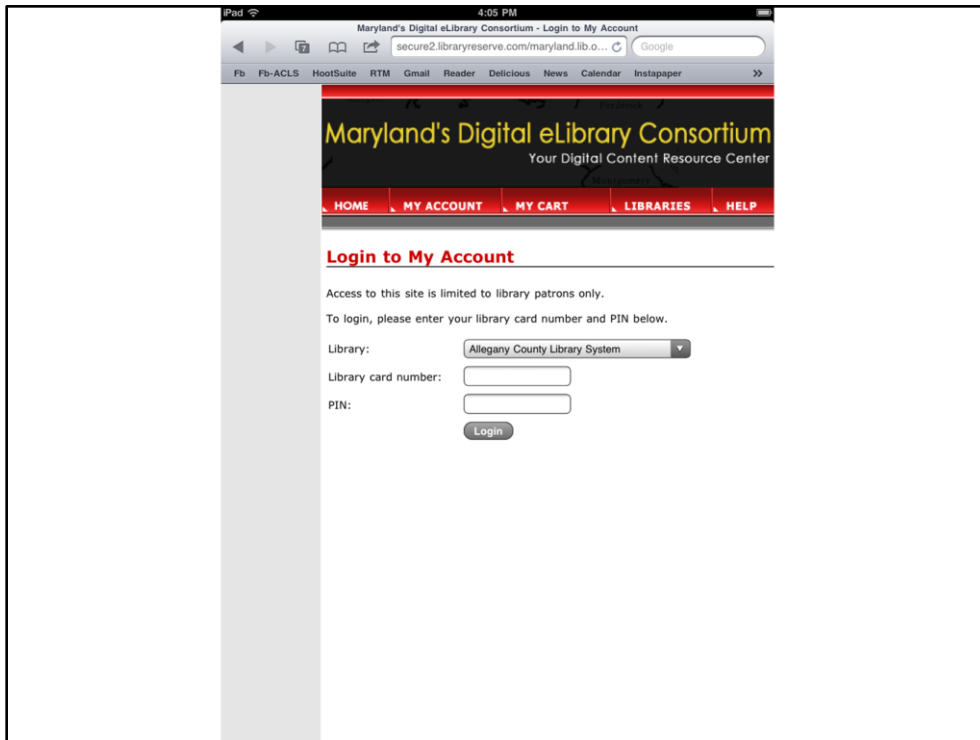

Find Allegany County Library System on the list, and tap to select it.

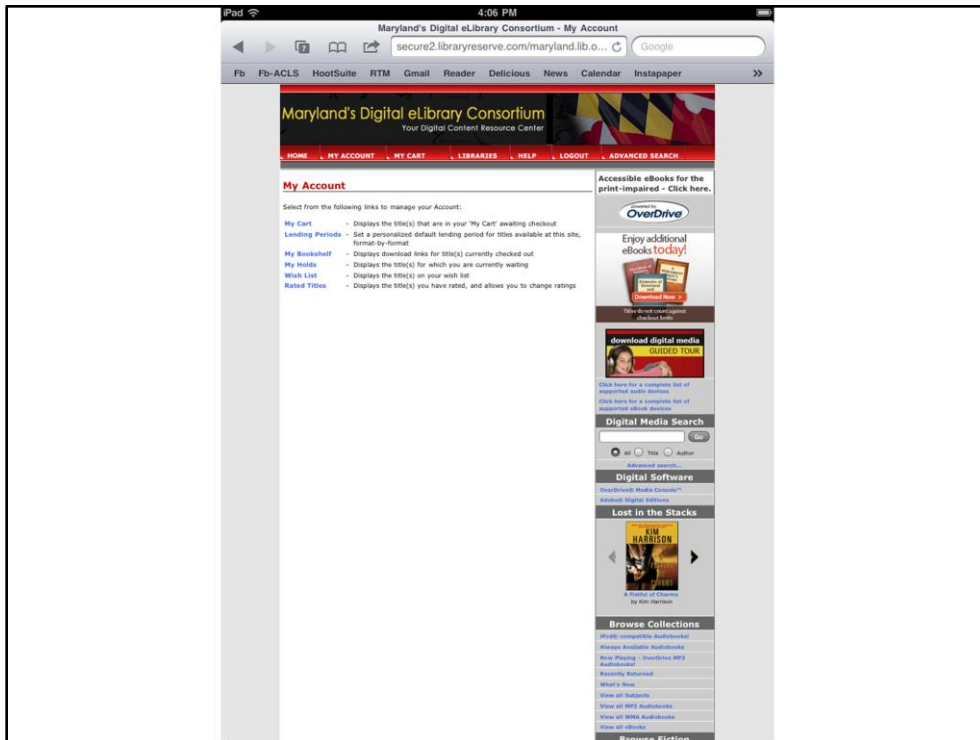

Allegany County Library System will now appear on your screen as shown. Tap the arrow next to Maryland's Digital Library.

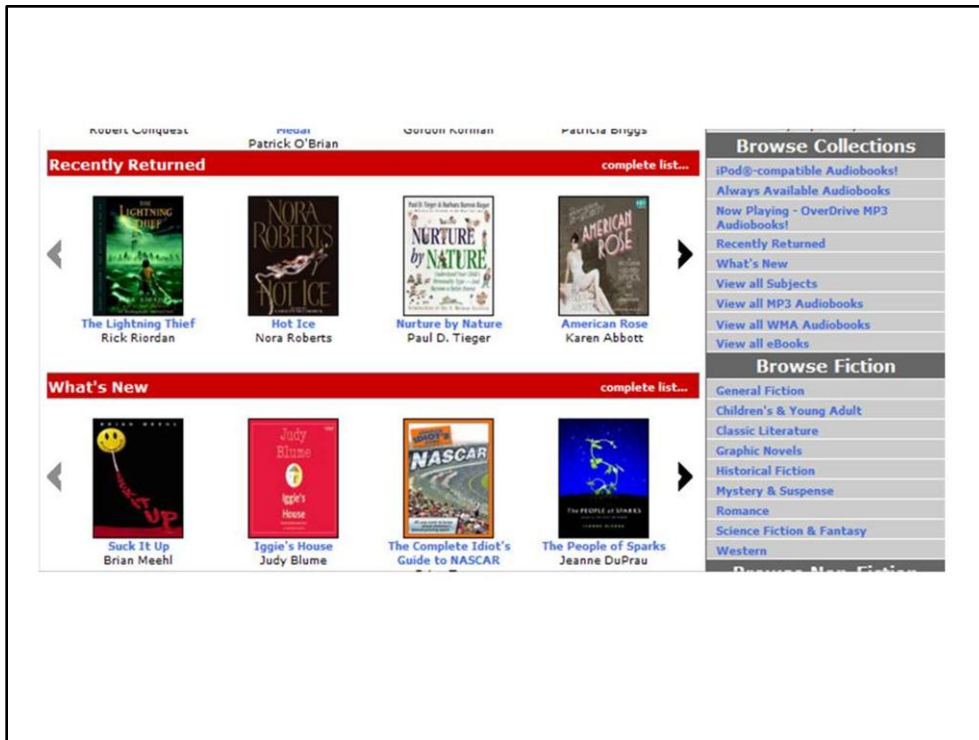

You will be taken to the website where you can select the ebooks you would like to check out. Before you search for ebooks, login to the site by tapping Login in the banner.

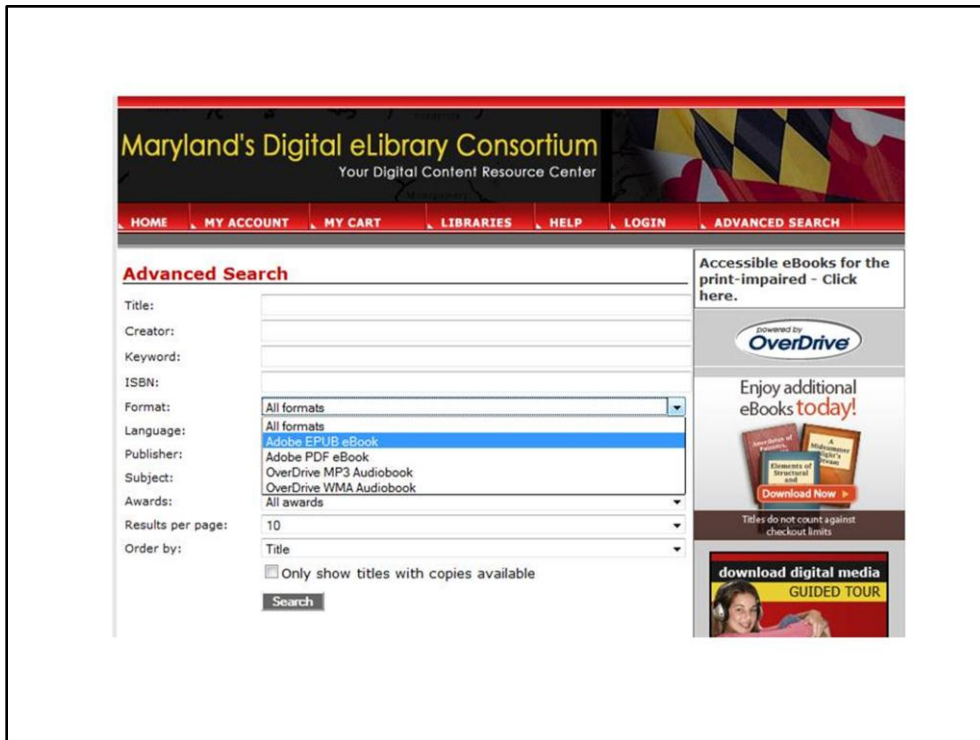

Select Allegheny County Library System as the library, then type your 14 digit library card number and your PIN in the spaces provided. Then tap Login.

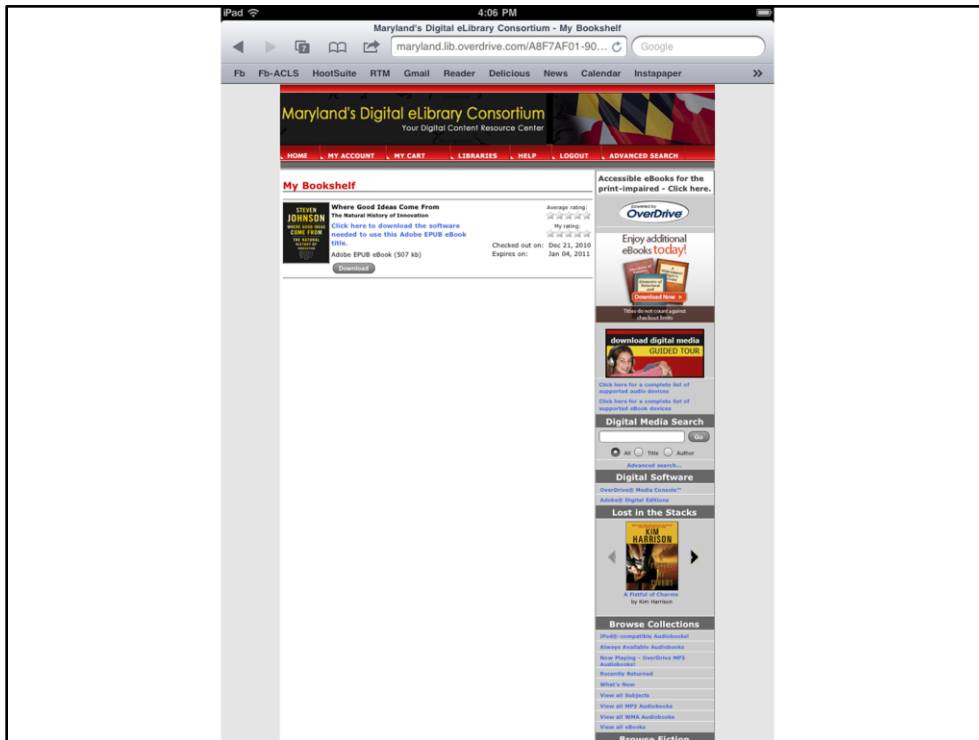

When you have successfully logged in, you will be taken to the My Account screen.

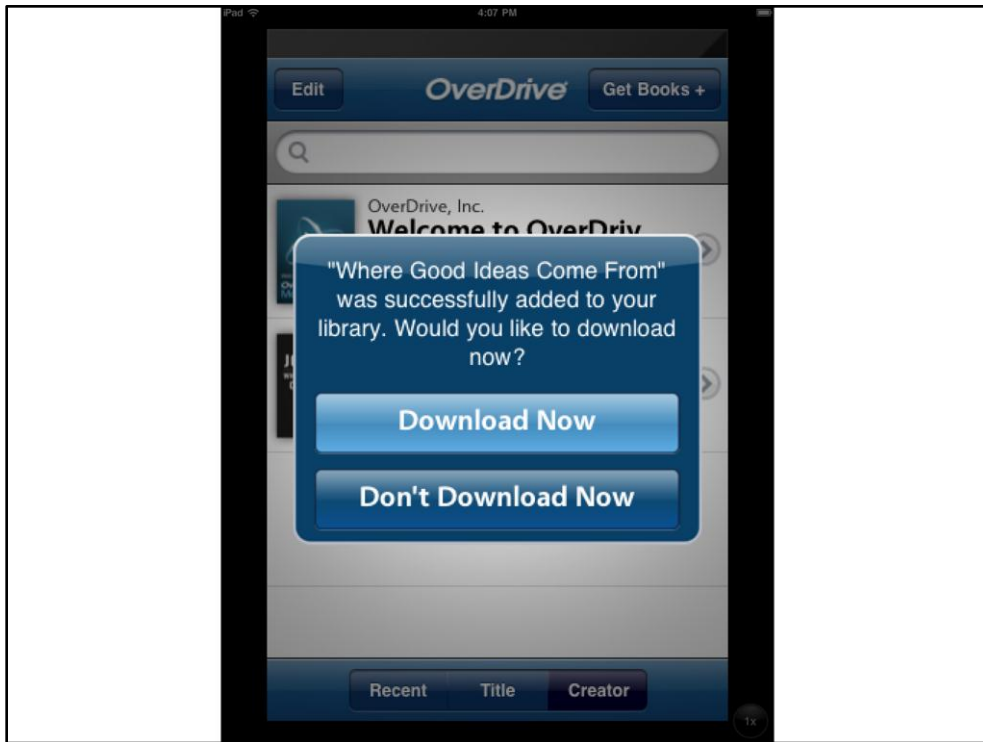

Once you are logged in, you can Browse ebooks by tapping View all eBooks.

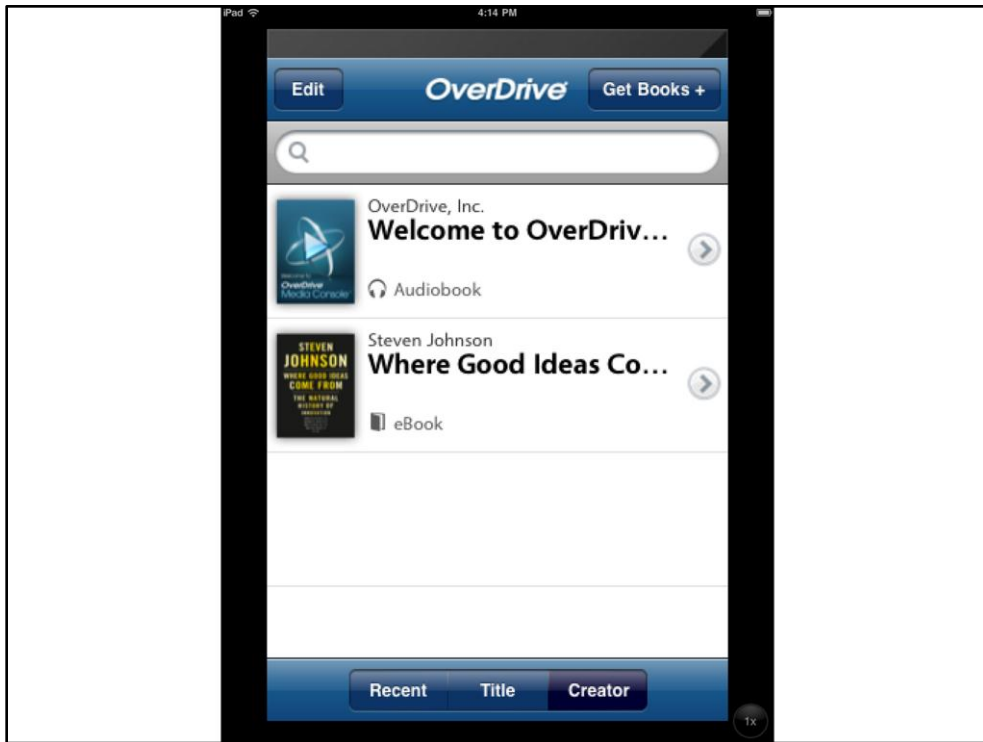

Or, You can also go to Advanced Search to look for particular titles, authors, or ISBNs. Limit the format to see only ebooks in results.

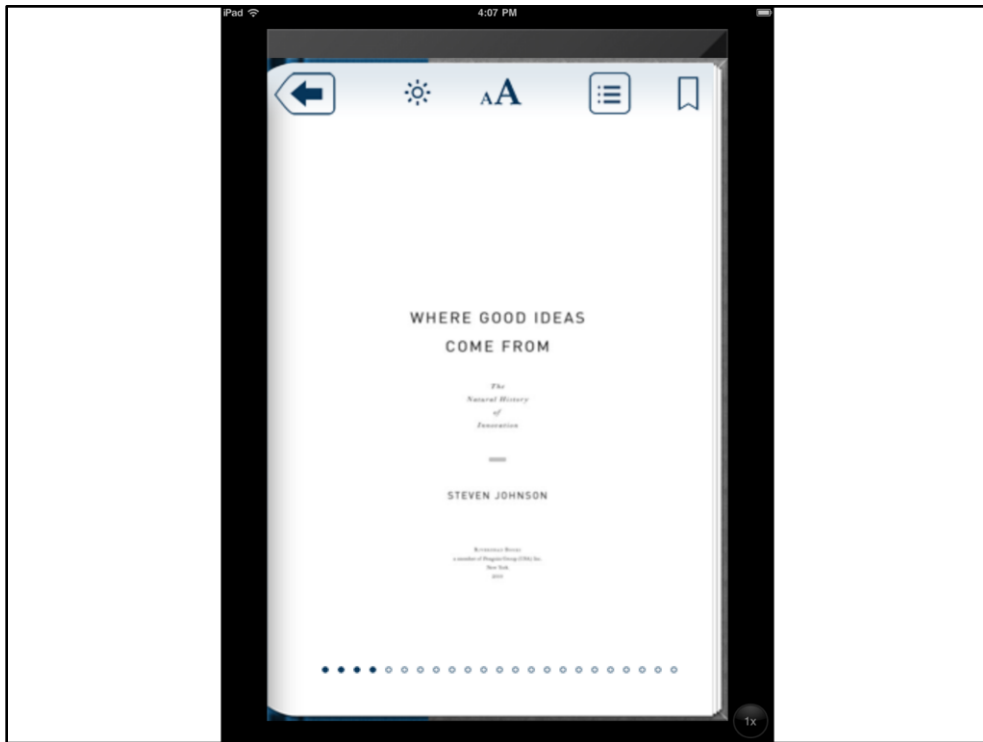

Once you have located the book you would like to check out, tap Add to Cart. The title will be placed in the My Cart area. To check out the item, click Proceed to Checkout. Confirm a 7 or 14 day checkout preference, then click Confirm checkout. The ebook will display the due date, and will be added to the My Bookshelf area. Click Download.

Confirm the download of the ebook in the app by tapping Download Now.

The ebook will download to the app. Tap to select the ebook.

The ebook will display for your reading enjoyment. This concludes the tutorial. Please visit the site often, as new titles are always being added. Also, for any additional assistance or questions, please contact your local library.
